Subject :—Regarding the presentation of Pre-audit Bills for audit before 24th June 1933 in the Comptroller's Office.

Circular No. 242—*Pay Section, dated* 19*th May* 1933.

To—All Drawers of Bills in the State.

To avoid a rush of bills in the last few days of the official year, Drawing Officers are requested to send bills to this office for pre-audit as early as possible and as each bill gets ready. Keeping them by till the end of the month of June causes inconvenience. On account of the heavy work in the Audit Office, bills for contingencies, supplies and services received in this office after the 24th June 1933 cannot ordinarily be expected to be returned audited before the 30th June 1933.

Circular No. 241—*S. L., dated* 15*th May* 1933.

Memo of instructions to Holders of 5½ per cent Mysore Government Conversion Loan Bonds, 1919-20.

The principal of the 5½ per cent Conversion Loan Bonds of 1919–20 of the Government of Mysore which are due to be discharged on 1st July 1933, under Government's Notification No. Fl. 4753—G. F. 141-32-3, dated 1st March 1933, published in the *Mysore Gazette*, dated 2nd March 1933, Part III, Section 1, will be repaid at the Office of the Comptroller to Government, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now.

2. The interest due for the three months ending 30th June 1933, will also be paid on 1st July 1933, along with the principal, after deducting the income-tax due thereon at Re. 0-1-6 in the rupee in cases, where no exemption certificates have been produced.

3. The Paying Officers can make payments without consulting the Comptroller to Government only in certain cases. In other cases they are required to send the bonds for examination to him. To avoid delay in payment, holders are advised to lodge their bonds with the Officers authorised to pay the principal or to send them to the Comptroller, Bangalore, for the examination of endorsements about 15 days previously, *i.e.*, from 15th June 1933. This will facilitate payment of the principal on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to Government, at once. They should arrange to complete any transfers they wish to make well before the due date. They will get the principal and interest due on the stock certificate upto 30th June 1933, paid by the officers, who pay the interest warrants for the last half year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal and interest due on this note or stock certificate" as the case may be.

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succesSsion certificate, probate, etc., such documents will have to be previously accepted by the Comptroller and before payment can be made. Bonds and documents in such cases should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary Magistrate or the Treasury Officer as follows :—

"Certified that the above discharge receipt was explained to.....
and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.
